The prestigious Damac Lagoons residential complex is inspired by Mediterranean landscapes, bringing together European charm in calm waters and verdant landscapes that convey a constant feeling of holiday and a contemporary lifestyle.
Damac Lagoons covers an area of approximately 420 thousand square meters and is located among the picturesque surroundings of Damac Hills. Its strategic location allows its residents to easily reach Businnes Bay, Dubai Marina and the international airport, in less than 30 minutes by car.
The properties that compose it are luxurious villas and elegant terraced houses, surrounded by tropical atmospheres, crystalline lagoons and white beaches.

The Malta Lagoons community recalls in essential and monochromatic details the architecture present on the European island embellished with natural elements such as a graceful floating flower pavilion.

Very suitable for families, this village includes schools, supermarkets, shops, clinics.... An excellent solution for escaping from the nearby metropolis by carving out a paradise corner inspired by the best of distant lands is planned for 2025.
